

Kolkata and Bengal continue to be a hot and happening place for quizzing activities in the country as there is no denying the fact that quizzing activities mainly started in Kolkata.

**BRAINSTORMER** is the annual inter-college/school quiz competition orchestrated by Phoenix. Since its inception in 2007, Brainstormer has seen a surge in the number of enthusiastic participants every year, with students from schools and colleges across West Bengal participating. Last year Mr. Barry 'o Brien, revered as a flamboyant quizmaster with international stature, was the quizmaster of the event and 93 teams participated in the event.

This year, we have decided to aloft Brainstormer to a completely new level by inviting students of schools run by NGOs to participate, with the hope that this will provide the students from marginal backgrounds to vie with the mainstream. In addition to that we are proud to announce our association with **CRY**(Child Rights and You).

This year Brainstormer will be held on **22nd September, 2013**, at **Khemka Hall (auditorium of Ballygunge Shiksha Sadan), Gariahat**. **Mr. Barry 'o Brien** will be conducting the quiz. It is open for undergraduate and classes IX - XII students. Each team can consist of a maximum of three members. Participants in a team can be from different alma mater.

Juggle with mind-boggling questions and it may augur well for one's contention to exciting prizes.

Thanking You,

PHOENIX
